

Key Outcomes of Busan High-Level Forum on Aid Effectiveness

DPCG February Meeting
2 February 2012

OUTLINE

- ▶ Key Principles and renewed commitments at Busan HLF 4
- ▶ Post-Busan Global Framework
- ▶ Rwanda's implementation of Post-Busan Agenda

Principles and Renewed Commitments

- ▶ 4th High-Level Forum on Aid Effectiveness in Busan – major turning point for aid agenda
 - ▶ **Places centrality of achieving development results** at the heart of global aid/development cooperation dialogue
 - ▶ **High-political level engagement of Africa** and other partner countries (President of Rwanda, Prime Minister of Ethiopia, Vice President from Burundi)
 - ▶ Forges new inclusive global partnership
 - ▶ **Aid as catalytic for development:** development driven by strong, sustainable and inclusive growth, greater role for domestic revenues, effective institutions, regional and global integration

Principles and Renewed Commitments

- ▶ Shared Principles for Inclusive partnership (Busan Outcome Document)
 - ▶ **Ownership of development policies by developing countries.** Partnerships led by developing countries, implementing approaches tailored to country-specific situations and needs
 - ▶ **Focus on Results** – lasting impact on eradicating poverty and reducing inequality, on sustainable development, and on enhancing developing countries capacities, aligned with priorities and policies set out by developing countries
 - ▶ **Inclusive development partnerships** – openness, trust, mutual respect and learning at the core of effective partnership, recognising the different and complementary roles of all actors
 - ▶ **Transparency and accountability** – mutual and domestic accountability critical to delivering results. Transparent practices form the basis for enhanced accountability.

Principles and Renewed Commitments

Commitments

- ▶ Unfinished aid effectiveness agenda to be fully implemented
- ▶ Developing countries' efforts and plans to strengthen core institutions and policies supported through approaches that aim to manage risk;
- ▶ **Transparent, country-led and country-level results** frameworks and platforms adopted as a common tool for performance assessment.
- ▶ Accelerate efforts to untie aid
- ▶ Use of country systems as the **default approach**
- ▶ Accelerating and deepen commitments to strengthen role of parliaments, local governments, CSOs

Principles and Commitments

Transparency – full range of information, common open standard for electronic publication of timely, comprehensive and forward looking information

- ▶ **Improve medium-term predictability** (rolling three-to five-indicative forward spending plans)
- ▶ **Greater use of country-led coordinating arrangements** (DoL, PBAs, Joint programming, delegated cooperation);
- ▶ Fuller use of **South-South and Triangular cooperation**;
- ▶ Increased **private sector participation** in development policies and strategies;
- ▶ Promoting aid for trade, further **developing innovative financing mechanisms**

Post Busan Global Framework

▶ **Global-Light, Country-Heavy**

- ▶ Frameworks based on national needs and priorities for monitoring progress and promoting mutual accountability agreed at country level;
- ▶ Selective and relevant set of indicators and targets for monitoring progress on a rolling basis to support international and regional accountability for the implementation of commitments.
- ▶ New inclusive and representative Global partnership for Effective Development Cooperation to be established, supporting and ensuring accountability at the political level;
- ▶ Post-Busan Interim Group (PBIG) as a temporary arrangements to facilitate agreement on the post-Busan Global Framework by June 2012.

Rwanda Implementation of Post-Busan Agenda

- ▶ Core of the post-Busan follow-up through ongoing EDPRS II Process – Development policies and results monitoring
- ▶ Country level monitoring framework – Building on CPAF and DPAF framework, strengthen the results and accountability framework;
- ▶ Expanding scope of development partnership framework – inclusive development cooperation dialogue, new partners to DPAF process;
- ▶ Inclusive joint programming, enhancing PBAs, development cooperation architecture

Thank you
