

Group 2 – DPCG and Technical Working Groups

DPCG

- Every 2 months – first Thursday of the month 9-12 starting from May
- Venue: ex-MINIPLAN
- Standing agenda items:
 - Cluster reports (4 per DPCG on rotating basis, along defined structure)
 - EDPRS update from Technical Working Group
 - Report from BSHG
- Once per year: budget highlights
- Review these changes after 4 months
- DPCG to make recommendations on cluster structure to Cabinet
- Working group to be established under DPCG to develop IMG modalities

BSHG

- Group has reduced transaction costs but still more to be done...
 - Performance Assessment Framework
 - Assessment of transaction costs
- Capacity building
 - Funding framework in place for PFM/MINECOFIN
 - Joint BS & PFM Review to identify sectors with weak planning/budgeting/monitoring capacity and define support measures

HARPP

- HARPP contributed to raising awareness of H&A issues, but....
- ...Harmonisation of projects and programmes better dealt with at cluster level – ultimately SWAps
- Overarching H&A issues responsibility of DPCG
